Wine's Elegance Since 1910

The Torti family boasts ancient traditions of Oltrepò Pavese DOC wines.

The production of our quality wines and spumanti is led by the expert, loving hands of father Dino, heir of a great tradition and passion for the vines, in particular for Pinot Nero.

We own a vast area of land on the 45° parallel in Montecalvo Versiggia an area particularly vocationed for the production of Pinot Nero and Croatina, in our hills we cultivate selected grapes, worthy of the production of fine wines & sparkling.

**We look for the future in respect of our past and traditions...
our history continues, living passions and emotions day by day.**

In our cellars the passion for wine becomes art.

"Torti Family"

"Our Production"

A dry, sapid Barbera, vinous aromas, aged in barriques,
an exceptional Bonarda of antique origins and lastly our Pinot Neros...

Vinified in White, still, sparkling, or in barrique,
vinified in red or our Sparkling Martinotti Method, Sparkling Classical Method,
Cruasè DOCG are the wines we produce with great pride.

Our cellar is equipped with modern wine making machinery and equipment,
for the maturation and ageing of the wines:
from modern presses to enormous barrels, from barriques to cutting
edge bottling and labelling plants.

Not to forget "the dormitory" where the classical method
wine rests in their pupitres waiting to express its best.

Our products are characterized by the care and passion that
has been handed down through generations of wine production.

*"You are Welcome in our Family Estate to discover our Wines
and for a moment live together with us the emotions of this
Magic World of the Wine"*

750ml
375ml

Rainbow Collection Casaleggio Brut Rosé

***Six colours of the Rainbow ... Six "good" Reasons to enjoy our "Sparkling Wines"
for a smiling life in technicolor!***

"Charmat Method – Martinotti Sparkling Rosè Wine"

Pinot Nero & Chardonay grapes. The sparkling is obtained during a long Charmat method. This wine has a fine, persistent perlage colour, powdery pink, a sweet floral aroma and subtly spicy. Enticing and harmonious to the mouth thanks to a wellbalanced structure and effervescence.

Perlage: fine, long, an elegant dance of "pearls" of bubbles.
Food Pairing: excellent with aperitifs, seafoods, sushi and sashimi.
Serving Temperature 8°C.
